5 hole tee

Application:

The 'attachment nut' will allow you to connect to the existing 10" wall support, which will create a 90° elbow so that the support will now go vertical to the ceiling. Both ceiling supports will be 30"L (cut to fit adjustable)

***The application will still allow for a shower riser w/ head to be attached thru the 5 hole tee connection if required.

Attachment Nut only (Fits 5/8"OD)
